

Assisted Living Services Accessible Space, Inc.

Accessible Space, Inc. (ASI) is a nonprofit organization incorporated in 1978 to provide affordable, accessible housing and twenty-four hour care services to low-income adults.

Assisted Living/Customized Living Service is available for adults, 18 or older, in select home and apartment buildings in Minnesota. Locations include Minneapolis, St. Paul, Roseville, New Brighton, Mounds View, Brooklyn Park, Champlin, Bloomington, Rochester, Grand Rapids, Duluth and St. Cloud. Kenosha Drive Apartments in Rochester offers service for seniors 62 or older.

Residents with mobility impairments and/or brain injuries or similar cognitive disabilities have access to on-site Resident Assistant Staff twenty-four hours per day. Services are directed by the resident and include a comprehensive package to include service coordination, transportation, help with activities of daily living, medication set up and administration, housekeeping, laundry, meal preparation, essential shopping, activities and behavior management. Residents with brain injuries or similar cognitive disabilities have access to additional supportive services.

Residents choosing Assisted Living/Customized Living Service enjoy increased independence and greater flexibility utilizing staff availability on a 24/7/365 basis to assist with scheduled and intermittent cares. The services are supervised by a Site Nurse who works with the resident to develop an individualized care plan and coordinated by a Site Supervisor who works with the resident to implement the care plan.

Eligibility and Funding: Applicant eligibility for services is based on the admission criteria, suitability for the services offered, and qualification for Assisted Living/Customized Living Service. Additionally, applicants must meet low-income guidelines established by the United States Department of Housing and Urban Development (HUD). Qualifying households pay only 30% of their gross adjusted monthly income for rent. Funding for payment of service is available to eligible individuals through Medicaid waivers, including Community Alternatives for Disabled Individuals (CADI), Brain Injury (BI) Waivers or Elderly Waiver (EW). Private payment arrangements may also be made directly with ASI.
