An Update on How You've Helped **Open Doors** to Accessible, Affordable "Housing with Care®"

### What we did together in 2018:

**Started construction on** Allegiance Apartments in Las Vegas, Nevada, a new accessible, affordable 50-unit home for veterans, homeless veterans and veterans with physical disabilities. **Dedicated** Patriot Place Apartments, in Las Vegas, Nevada with Ken Berry, ASI's Director of Housing and Program Services, welcoming guest speakers: Commissioner Chris Giunchigliani, District E, Clark County, Nevada; Jake LaRow, Deputy Administrator, Nevada Housing Division; Jon Clevenger, Assistant Vice President, U.S. Bancorp Community Development Corporation; Tammie Briscoe, HUD/VASH Program Coordinator, VA Southern Nevada Healthcare System; Amparo Gamazo, Executive Director, Southern Nevada Regional Housing Authority; Stephen Vander Schaaf, ASI's President/CEO; and Otha Brown, resident of Patriot Place Apartments.

**Renovated and remodeled** 9 locations, home to over 300 people, with new roofs, siding, windows, doors, stucco, cement, carpet, flooring, lighting, HVAC, plumbing or elevators in Hawaii, Minnesota, Montana, Nevada, North and South Dakota and Texas.

**Provided** services in Minnesota and Nevada for supportive care to over 400 very and extremely low-income adults with physical disabilities and/or traumatic brain injuries, as well as services allowing seniors to age in place.

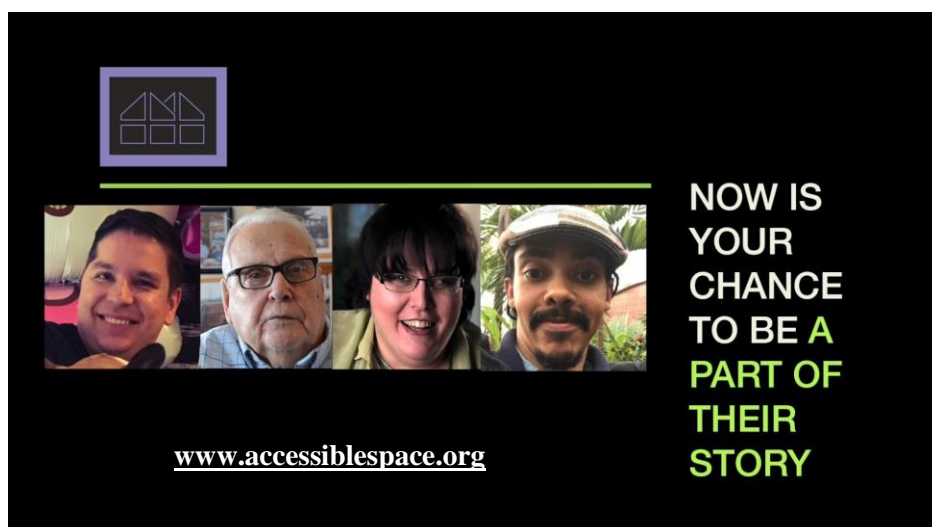

**Upgraded** technology for resident computer labs and for employees to better track client cares.

**Inspired** participation at donor-sponsored, mission support events as we **celebrated** ASI's 40<sup>th</sup> anniversary. Accessible Space, Inc. volunteers planned and invited friends, family, co-workers and business partners to ASI's annual **Let's Open Some Doors** Mission Support Luncheon in St. Paul, Minnesota helping us raise over \$130,000 from generous luncheon guests and invitees.

**Received** the 2018 Charles L. Edison Tax Credit Excellence Award for Patriot Place Apartments recognizing an outstanding effort in providing affordable veterans housing.

**Expanded** ASI's mission statement to include providing "housing with care" to veterans.

**Thank you** for your help in providing funds and support for housing, rehabilitation and care for **4,162 people in 157 communities in 25 states** who benefit from Accessible Space, Inc.'s "housing with care." The need is still great. With your selfless support and our steadfast stewardship, we can open even more doors together.
